Packing type: jute bag weighing 60 kg. The loading rate is 20" container 19.200 kg, 320 bags x 60 kg without pallets. Fumigation of the container before loading is mandatory and is included in the price of coffee on FOB/CIF For the safety of products during transportation, it is recommended to vacuum coffee in bags, the procedure costs \$ 300, this prevents condensation from temperature fluctuations. When ordering coffee from Vietnam, our company provides the following documents:						
<div>  <div>             1.Certificate of Origin (C/O)              2.Certificate of Phytosanitary (Phytosanitary Certificate)              3.Health Certificate (HC)           </div>  </div>						
The indicated prices include prepayment, in case of partial payment for delivery or an order for coffee with payment upon delivery from a warehouse in Novorossiysk, prices are discussed individually according to the application. Discounts are provided individually depending on the order volume, the minimum order is 19.2 tons. Please send your applications to the specified email address: <a href="mailto:info@imperial-company.com">info@imperial-company.com</a> or to the number: WhatsApp +90 (531) 987 85 47						
If you are interested in any of these items, we are ready to send you a specification and a price offer for the selected delivery terms and the scope of the application. Our company provides consultations on logistics optimization and customs clearance of goods for any product groups.						

We will be glad to cooperate. Sincerely, the Company IMPERIAL LiMiTED ŞiRKETi
